Brian, Sid, Susan, Chris,

Ex. 6 Personal Privacy (PP) and then in DC on Monday and Tuesday. I apologize that the below writeup was not included in this week's CCTE Report. It was an oversight on our part to not include it and we appreciate the blurb you drafted. We will be sure to include it in the first weekly report in January.

Sammy,
Sending a potential weekly highlight. Both Susan Hester (CCED-ETTB) and I were co-editors for a special CoTOX publication on genomic data and integration into risk assessment. See the link here:

Quick blurb below:

Ex. 5 Deliberative Process (DP)

Let me know if you'd like more info.

Thanks,
Brian

Hello fellow CCTEers,

This is Sammy again just reaching out to share CCTE's center wide weekly report which provides updates to ORD management including hot topics, events, recent publications and other Center activities.

If there is something you would like to see highlighted in a future report please email [Monica Linnenbrink](#) and I. We will try our best to include it.

Hope everyone is having a great week!
